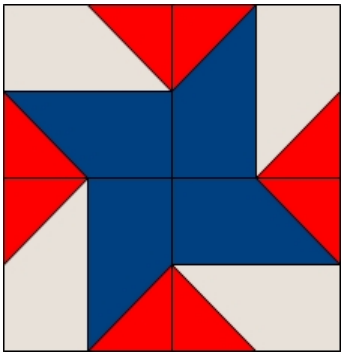
Double Friendship Star

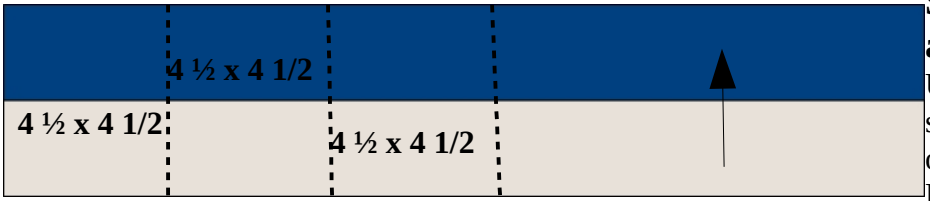
8” finished



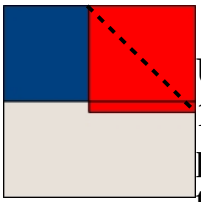
Fabric requirements:

1 – 2 1/2” Blue by WOF
1 – 2 1/2” White by WOF

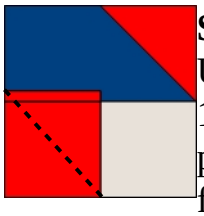
1 – 2 1/2” Red by WOF
subcut in to 16 - 2 1/2” red squares



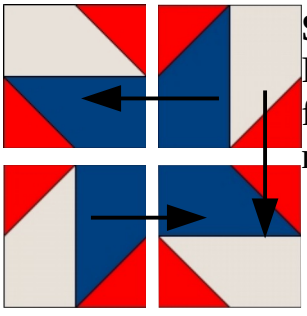
STEP 1 – Sew the Blue and White strips together
Using the blue and white strips, sew together the entire length of the strips. Press towards the Blue. This strip set should measure 4 ½ by WOF (roughly 40” long). Cross cut in to 4 1/2” squares as shown by the dotted lines. You should be able to cut 8 squares, enough to complete 2 Double Friendship blocks.



STEP 2 – Sew a Red squares to the Blue top Right corner
Using one red square, sew diagonally to the top right blue portion of a 4 1/2” square from step one. It is important that you are consistent in the placement of the red squares to make your stars rotate correctly. Repeat this for all the 4 1/2” squares. Press the red square to the corner and trim, away the excess fabric behind the triangle.



STEP 3 – Sew a Red squares to White bottom Left corners
Using a red square, sew diagonally to the bottom left white portion of a 4 1/2” square from step two. It is important that you are consistent in the placement of the red squares to make your stars rotate correctly. Repeat this for all the 4 1/2” squares. Press the red square to the corner and trim away the excess fabric behind the triangle. You should have 8 squares.



STEP 4 – Sew together a Double Friendship Star
Position 4 of the squares from step 3 as shown. Sew together the finished block, pressing as shown by the arrows. Your block should measure 8 1/2” square.
