

How to Make Scrap Fabric Tree Ornaments

Supplies needed:

1. Scrap fabric remnants
2. Cinnamon sticks (6-inch) or sticks/branches cut to 6" from your yard.
3. Yellow buttons/stars
4. Twine/ribbon
5. Scissors

Directions:

- Cut 13 - 9-inch by .75-inch strips
- Tie the fabric scraps onto the cinnamon stick or tree branch. Tie each strip with a square knot (tie right over left, then left over right) and used about 13 strips of well-bunched fabric on each cinnamon stick/ tree branch.
- Cut the fabric scraps into the shape of a Christmas tree.
- Hot glue a yellow button or wooden star to the top of the Christmas tree.
- Last, glue a loop of twine to the back of the ornament. Your fabric tree ornament is complete!
