

Creek Side Stitches Workshop

These five quilts are all cut same with my creative cutting method but they are put back together differently. So in the workshop I will give you sewing and cutting instructions and then they can pick a layout. I've attached the covers of each pattern with fabric requirements.

PREP WORK

This prep work for class is helpful but not necessary it just makes things go little faster:

- Cut Background fabric into 10" squares
- Pair assorted fabric square and background 10" squares
- Make your pairs into half square triangles using your favorite method to make HST's (*always using a scant 1/4"*) Square to 9 1/2"
